For TOEFL and IELTS, it is possible to request the scores to be directly sent to OSIPP (For TOEFL, use Code: 7803. For IELTS, send to “Osaka University, OSIPP”). <i>For TOEFL in particular, if at all possible, please request ETS to send the scores directly to OSIPP; this can be done free of charge if done online by the day before the TOEFL examination (by the specified time). *In recent years, due to COVID-19, it tends to take longer for the original paper scores to arrive by post. For this reason, OSIPP has begun using “ETS Data Manager”, which allows us to accept scores quickly online. (Please note that electronic scores sent by examinees are not accepted as originals.)</i></p> <p>The original copies submitted enclosed with other application materials will be returned to applicants with the examination admission card by post.
